DETAILED ACTION

Request for Continued Examination

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/01/2007 has been entered.

Status of Application/Amendment/Claims

Applicant's response filed 09/04/2007 have been considered. Rejections and/or objections not reiterated from the previous office action mailed 05/01/2007 are hereby withdrawn. The following rejections and/or objections are either newly applied or are reiterated and are the only rejections and/or objections presently applied to the instant application. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

With entry of the amendment filed on 09/04/2007, claims 1, 10-13, 30, 33 and 36 are pending in the application. Applicant has canceled claims 2-9, 14-29, 31-32, 34-35 and 37-46.

Claim Objections

Claim 36 is objected to under 37 CFR 1.75 as being a substantial duplicate of claim 1. When two claims in an application are duplicates or else are so close in

content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Applicant is advised that should claim 1 be found allowable, claim 36 will be objected to under 37 CFR 1.75 as being a substantial duplicate thereof. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Response to Applicant's Arguments

Re: Claim Rejections - 35 USC § 112

The rejection of claims 30 and 33 under 35 U.S.C. 112, first paragraph, is maintained for the reasons of record in the Office action mailed 05/01/2007.

Applicant has argued the rejection of claims 30 and 33 in the 102/103 rejection of record but has not specifically addressed the 112 first paragraph rejection in the response to the Office action mailed on 05/01/2007. Applicants have stated on page 9 of the remarks filed 09/04/2007 that the claims now fully comply with 35 U.S.C. 112 but has not provided any arguments as to why the claimed pharmaceutical composition comprising at least one protein encoding by SEQ ID No. 4 is enabled. Thus, the rejection of record mailed 05/01/2007 is maintained.

Re: Claim Rejections - 35 USC § 102 or 35 USC § 103

The rejection of claims 1, 2, 5, 10-13, 30, 33, and 36 under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Wallach et al. (of record) is withdrawn in response to claim amendments filed 09/04/2007. maintained for the reasons of record in the action mailed 10/25/2006.

Claims 1 and 10-13 are free of the prior art of record and prior art searched.
